Not sure what you want to do after high school? Take the ASVAB Career Exploration Program! As an aptitude test, the ASVAB measures your strengths, weaknesses, and potential for future success. The ASVAB also provides you with career information for various civilian and military occupations and is an indicator for success in future endeavors whether you choose to go to college, vocational school, or a military career. Camden Hills Regional High School is offering this assessment on January 15 in the Lecture Hall at 8:10 am. Please see Mrs. Pelletier in room 351 or contact her at carol.pelletier@fivetowns.net to sign up or for more information.

CHRHS Transitional Skills Program:

This season has come & gone so quickly, we have not had a chance to tell everyone about our fun Special Olympic bowling meet (a BIG thank you athletes, coaches, area high school volunteers, Captain Windjammer & Principal Carlson!), our awesome student volunteers, our ornament making, our wreath tipping (did you notice the front entrance wreaths & lights, yes, that is us!), our holiday party, all the students who made the honor roll or the Winter Games January 26th, 27th & 28th. Now that there is snow on the ground, we will be learning and practicing our Nordic ski skills in preparation for the 100m, 500m, and 1k races at the Sugarloaf Outdoor Center. Unified Basketball also begins this winter & we are super excited for both events. We currently need unified basketball partners, so if you are interested, see Mrs. Alley in room #332 for a required participation form. Happy New Year everyone! ~ The TS Crew

LIBRARY

Student Library Advisory Committee

Next meeting: Friday January 3rd, during Flextime! This is a group of student library-supporters, and we will be making plans for how we in the Library can help students balance their studying and de-stress prior to midterms!

Diverse Perspectives Book Club

January 7, 3-4pm in the CHILLs Library

This staff/student book club chooses a theme and two or more books on that theme for our monthly book discussion. This month the group chose books with LGBTQ+ characters and themes, and participants choose to read one or both titles. See attached flier!

Late Days in the Library

Thanks to our public library partners, the CHILLs Library is open 3 days a week until 4:15pm on Tuesdays, Wednesdays and Thursdays. Librarians from Camden Public and Rockport Public libraries come to OUR library to keep the doors open for students who need a quiet place to study after school. Not only are these librarians experts in their field, able to help out with a research question or a book recommendation, they are certified volunteers in our district. The library is a quiet, mellow spot for our thespians, musicians, student athletes who are waiting for rehearsals or practices/games, or for those who are waiting for a ride home! We are so grateful for our community for their support of our students!
