# Grateful in the ESVM Library

We think about our library as a place for engagement, yes, even in the COVID Times! What does this look like now? We have our tiny stickers in a container that we wipe down after each "shake." We are using Instagram polls to ask questions of our community, instead of last year's <a href="mailto:pompom jars">pompom jars</a> (Windjammer Wonder Wednesdays). The week before Thanksgiving break, we prompted users to fill in the blank "I'm grateful for..." -- with some wonderful responses (see above)! This announcement board is adjacent to our hand-sanitizing station, so it was safe to share markers!

Follow the ESVM Library news as it happens

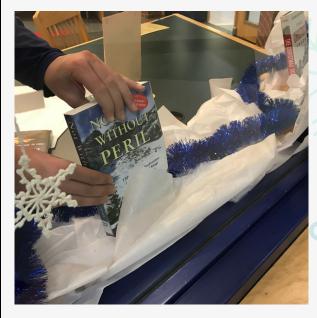

Our Student Library Advisory Committee (SLACers) had a special request at our November hybrid (Zoom and inperson) meeting: to get EXTRA festive in the library this year! Thanks to our visionary library-lovers, we have gorgeous lights installed around our library space. A student had a vision for a festive window display (see photo below) - the illusion of a snowscape enhanced with some crocheted snowflakes, featuring some of our books with snowy covers. See more photos <a href="here">here</a>! SLACers decorated cardboard gingerbreadfolx at Flextime with special thanks to Ms. Brown for sharing paints and brushes, and a library elf who donated some embellishments! One of the reasons we love this group of dedicated library supporters is for their creative ideas to make our library even better!

CONTINUED...

### "ESVM Library Gets Festive" CONTINUED

The good ideas just kept coming! The SLACers are hosting a "Festive Pet Photo Challenge!" (And if you don't have a pet, no problem - you can decorate a plant or interior space!) Better yet, students have the opportunity to earn spirit points for submitting a photo -- thanks to the support of our CHILLs Student Council! Staff can participate too! We will take these fun photos and put together a slide show to bring some cheer to our CHILLs community. Email Mrs. Chamberlin with your festive, school appropriate photos: beth.chamberlin@fivetowns.net Photo submissions are due by 12/18.

SLACers is also hosting a "Favorite Book Swap!" Staff and students may bring in a new or lightly used favorite book (must be one of YOUR faves), wrapped up (wrapping paper will also be available in the library). Drop off your book by Friday 12/18 - and on Monday 12/21 during Flextime, we will pick our books! If you are remote, you can still participate! Find out how by emailing Mrs. E with your interest: iris.eichenlaub@fivetowns.net

#### COMING IN JANUARY...

"The Thrive Through Winter Challenge" - also sponsored by SLACers! Keep your eyes on our social media for forthcoming details.

Big Thanks

To Mila Bonometti and Charlotte Taylor, two members of NHS who helped deliver 6 boxes of books to Goodwill! These books were donated to the ESVM Library - we took what we could use, and we are passing on the rest!

## Browse Our Books Virtually

Requesting books online has never been easier. <u>Browse our library</u> <u>catalog</u> and place a hold! Not sure what to read? Browse these <u>curated digital lists</u> of books by genre and theme. If you place a hold on a book, we will let you know when it's "in" and ready for you to pick up.

If you're remote, we have a handy red box in the front entryway of the school (right) where you can pick up your book, or drop off your returns.
