# ESVM LIBRARY 

# FALL NEWSLETTER: 

## THEMED DAYS

Check out the themed days of the week in the library. They are:

- Make-It Monday (coloring \& crafts)
- Tiny Sticker Tuesday (free stickers)
- Wordy Wednesday (word games with prizes)
- Trivia Thursday (questions for candy)
- Fun Friday (board games)

## LITTLE LIBRARIES

The SLACers successfully completed our first round of staff pick little libraries. There were eight staff members that provided favorite titles and authors of theirs and students were able to check out books based on these recommendations. The plan is to ask more staff and students to provide titles for future little libraries.

## DID YOU KNOW?

## AUDIO BOOKS ON SORA...

If you're an audiobook fan, you should check out these offerings on Sora. These are all titles that made the Maine North Star Young Adult Book list this year! Simply come into the library to check out the display. Each book on display is accompanied by a QR code that will link you directly to the book.

TAHIR

## WHAT'S HAPPENING NOW?

I'm glad you asked. Bogan the therapy dog has started making visits to the library. Her next vist will be the day before Winter Break begins. Stop in and spend some time with the very loveable Bogan.
Speaking of Winter Break, the front display is currently a countdoown to break. Each day one lucky student will get to unwrap a book to reveal a title that will include the current number of days left before vacation begins.

## WHAT'S HAPPENING NEXT?

Good question. I'm always looking for fun new activities, displays, crafts, books, etc. There should be a new shipment of books arriving soon in the library. That's always exciting! I'm hoping to have a holiday book exchange up and running within the next week or two. There will also be crafts on Make-It Monday that will make wonderful handmade gifts.
