Genres 2017 vs. 2018

Genrefication helps our readers
find what they want!

This year, we have two genres pulled out of the general fiction: Science Fiction (SciFi) and Suspense, Action, Thriller (Thrills and Chills). Last year, these genres were just part of fiction. Note the increase!

LATE DAYS IN THE LIBRARY CONTINUE

Our partnership with Camden and Rockport Public Libraries continues into year two! Monday through Wednesdays, the CHRHS Library is open until 4:30, thanks to staffing by public librarians. Our students appreciate having a quiet place to study! So far this year,

124 students have stayed late!
