The full day Freshman Student Orientation will be held on Monday, September 14th. The schedule for this day is attached. Students only need to bring a mask, water bottle, and wear comfortable clothing as we will be outside as much as possible. A free grab-n-go lunch will be provided.

Buses will run on their regular routes starting on Monday. If you have questions about the bus routes, please call 236-3358.

If you are a Freshman who is enrolled in MCST Intro to Applied Technology, your class meets here, at CHRHS. You will not be traveling to MCST for your class. Any instructions about MCST students attending classes at MCST pertain to 10th-12th graders.

Both freshmen orientation events are designed to welcome your student and family to the Chills community. We will review details about the freshman year and the overall high school experience including class schedules, new Covid-19 safety precautions, online resources and much more.

Please contact the main office at 236-7800 if you have questions or concerns.
